Tour Highlights

On *Journey with Buddha*, we will be blessing:

1) Iconic Singapore Skyline

Our processional float will gracefully glide through Marina Promenade and its surrounding landmarks, such as Marina Bay Sands, The Esplanade, and Merlion Park, which together form the iconic Singapore skyline. As we traverse these landmarks, let us rejoice in the beauty and vibrancy of Singapore and offer this magnificent sight to Buddha!

2) Central Area (CBD)

The Central Business District and Orchard shopping belt serve as the primary hub for commercial activities in Singapore. Recent years have witnessed rapid and exciting redevelopments, promising to elevate our country to greater heights. Let us pray for the continual prosperity of Singapore, and may all endeavours be auspicious and victorious!

3) Historic Districts

Singapore's heritage and cultural diversity serve as a wellspring of inspiration, learning, and growth. Immerse yourself in the colourful sights of Chinatown, Kampong Glam, and Little India. Generate gratitude towards our forefathers for their resilience and hard work, and cultivate heartfelt appreciation for our nation's racial and religious harmony.

4) Heartland Spots

From north to south, east to west, our processional float will illuminate the vibrant neighbourhoods, touching the hearts and minds of many fellow heartlanders who have the opportunity to witness its magnificent presence. Through this, we aim to spread the joy and spirit of our Vesak celebration by sharing the timeless message of universal love.
